\$90,000 Scholarship Program

At BayPort, we recognize the importance of higher education as well as the cost. Our scholarship program began in 1961 to help offset education costs. Since that time, BayPort has awarded over \$965,000 in scholarship funds to members.

In celebration of over 90 years helping members improve their financial wellness and wellbeing, BayPort will be awarding \$90,000 in scholarships to members pursuing their higher education dreams. There are four different scholarship types available to all qualifying members and additional

scholarships awarded to individual student-run credit union tellers and members.

If you have a student getting ready to enter college, or if you are a working professional going back to school yourself, we may be able to help. The 2019 scholarship applications will be available at bayportcu.org beginning in March.
