

BayPort **Breeze** WINTER 2022

The BayPort Foundation Raises Nearly \$160,000 in First Year Launch

We are honored to introduce the new McGee Family Scholarship

In its first year, the BayPort Foundation has raised \$158,875 to support student scholarships and educational grants in the Greater Hampton Roads area. This incredible outcome was made possible by the generous contributions of several individual long-standing credit union members and business partners.

The Foundation's first-year efforts permit the increase of its annual scholarship program to \$100,000 in tuition assistance to students of all ages attending an accredited college or university, trade, or vocational school. In addition, the Foundation is proud to introduce its second newest scholarship: the McGee Family Scholarship. The scholarship is a family gift as an inaugural donor to the BayPort Foundation Legacy Giving Program, which honors those who share BayPort's commitment and philanthropic efforts. The McGee Family Scholarship is a \$2,000 one-time scholarship awarded annually to a student attending the Thomas Nelson Community College Early Childhood Development program.

As the philanthropic arm of BayPort Credit Union, the Foundation is an extension of the credit union's charitable giving. BayPort Credit Union commits more than half a million dollars in annual corporate donations and pays all the Foundation's overhead to ensure that 100% of the Foundation donations support its mission.

HIGH SCHOOL SENIORS • COLLEGE STUDENTS • WORKING ADULTS

Scholarship season is here! We will begin accepting scholarship submissions for the 2022-2023 academic year beginning January 3, 2022.

Our scholarship program began in 1961 to help offset education costs. Since that time, BayPort has awarded over \$1 million in tuition assistance to its members. This year, our philanthropic arm, the BayPort Foundation, will be giving away \$100,000 to area high school seniors, college students, and working adults attending an accredited college or university, trade, or vocational school.

The BayPort Foundation offers 10 different scholarship types to qualifying member students. Applications will be evaluated on the following criteria: GPA, academic achievements, financial need, school and community involvement, and a written essay.

The application deadline is March 31, 2022. Visit bayportcu.org/foundation to learn more.
